Chapter 1 by Magdalene

You slipped away when I held you close
I held tighter but you found your way home
I didn't want to lose you this way
The way when you don't see another day

I watched as you took your last breath
You stopped holding on and then came death
I'll love you till the sun dies
But since you're gone I will never fly

You gave me your hand and whispered to me
That the life we had was only a dream
The real thing is in the stars
And you're waiting for me from afar
